Tamil Nadu Agriculture Schemes

50-scheme reference guide • State schemes and Central schemes available through Tamil Nadu

Prepared: 13 October 2026

How to use this guide

This guide is a starting directory to help farmers identify relevant schemes and the right department/portal. It is not an approval or guarantee of a subsidy. Scheme components, funding windows, beneficiary contributions, rates, crop lists and deadlines can change by Government Order, district, season and available budget.

Important accuracy note

Amounts are shown only where a broad official scheme benefit is well established (for example, PM-KISAN). For most subsidy schemes, this guide deliberately says “component-specific” rather than quoting an unverified rate. Before purchasing equipment, planting material or constructing infrastructure, obtain written eligibility and sanction confirmation from the implementing office.

Common documents to keep ready

Aadhaar/valid identity proof, bank passbook and account details, Patta/Chitta/Adangal or other land/lease records, mobile number, passport photo, crop and area details, and—where relevant—community/category certificate, quotations, project report, group/FPO registration, or livestock/fisheries registration.

Official starting points

- Tamil Nadu Agrisnet / scheme and input services
- Tamil Nadu Horticulture scheme Government Orders
- PM-KISAN official portal
- PMFBY crop insurance portal
- TNAU Government Schemes and Services
- Coimbatore District Horticulture page

1. Kalaignarin All Village Integrated Agricultural Development Programme (KAVIADP)

Coverage: Tamil Nadu

Purpose: Develop fallow/underused land and support farm development in selected village panchayats.

Benefit / assistance: Area-based inputs and farm-development support; exact components and limits depend on the current Government Order and village selection.

Who may qualify: Farmers in notified villages; land and component eligibility must be confirmed locally.

Documents to prepare: Aadhaar, bank details, land record/survey details; additional documents as requested.

Where to start: Block Agriculture Office / Village Agriculture Officer

Official reference: https://www.tnagrisnet.tn.gov.in/home/schemes/tm

2. State Horticulture Development Scheme (SHDS)

Coverage: Tamil Nadu

Purpose: Support horticulture cultivation and selected horticulture infrastructure.

Benefit / assistance: Component-specific subsidy; amount varies by crop, area, category and annual allocation.

Who may qualify: Farmers meeting the current component's crop/area conditions.

Documents to prepare: Aadhaar, land records, bank details, photos, crop/area plan and quotations if relevant.

Where to start: Block/District Horticulture Office

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

3. Chief Minister's Mannuyir Kaathu Mannuyir Kaappom Scheme

Coverage: Tamil Nadu

Purpose: Improve soil health and encourage sustainable soil-management practices, including green manuring.

Benefit / assistance: Support may include green-manure seeds or other notified activities; confirm current year's component.

Who may qualify: Farmers covered by the current district/season implementation.

Documents to prepare: Aadhaar and farm details as required by the local Agriculture Office.

Where to start: Block Agriculture Office

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

4. Tamil Nadu Millet Mission

Coverage: Tamil Nadu

Purpose: Encourage millet cultivation, crop diversification and improved millet production.

Benefit / assistance: Seed/input assistance and demonstrations may be offered under annual components; verify current rates locally.

Who may qualify: Farmers cultivating notified millets in selected areas/seasons.

Documents to prepare: Aadhaar, land/crop details and bank details if DBT applies.

Where to start: Block Agriculture Office

Official reference: https://erode.nic.in/departments/agriculture/

5. Nutrition Farming Mission

Coverage: Tamil Nadu

Purpose: Promote pulses and nutrition-oriented crop production.

Benefit / assistance: Crop-specific input assistance may be available under the annual plan; rate is not assumed in this guide.

Who may qualify: Farmers growing notified pulse crops under the current programme.

Documents to prepare: Aadhaar, land/crop details and bank details if required.

Where to start: Block Agriculture Office

Official reference: https://erode.nic.in/departments/agriculture/

6. Uzhavar Aluvalar Thodarbu Thittam (UATT)

Coverage: Tamil Nadu

Purpose: Strengthen farmer contact with extension officers and access to agriculture advisories.

Benefit / assistance: Extension services, technical advice and scheme guidance; not necessarily a cash subsidy.

Who may qualify: Farmers seeking agriculture extension support.

Documents to prepare: Usually basic farmer and crop/field details.

Where to start: Village/Block Agriculture Office

Official reference: https://www.tnagrisnet.tn.gov.in/home/schemes/tm

7. Collective Farming / Farmer Groups

Coverage: Tamil Nadu

Purpose: Help farmers organize into groups for input access, mechanization and market linkage.

Benefit / assistance: Group-based support varies by current component and approved project.

Who may qualify: Eligible farmer groups/FPOs/collectives as defined by the department.

Documents to prepare: Group resolution, member list, bank details, registration documents where applicable.

Where to start: Block Agriculture Office / District Agriculture Office

Official reference: https://www.tnagrisnet.tn.gov.in/home/schemes/tm

8. Tamil Nadu Mission for Sustainable Dryland Development

Coverage: Tamil Nadu

Purpose: Improve productivity and resilience in dryland/rainfed farming areas.

Benefit / assistance: Location- and component-based interventions; confirm the current project package.

Who may qualify: Farmers in selected dryland areas/approved clusters.

Documents to prepare: Land details, Aadhaar and crop/field information.

Where to start: Block Agriculture Office

Official reference: https://www.tnagrisnet.tn.gov.in/home/schemes/tm

9. State Horticulture Farms / Horticulture Input Support

Coverage: Tamil Nadu

Purpose: Provide planting material, seedlings and horticulture support through state facilities.

Benefit / assistance: Seedlings/planting material or component-based support; availability and price vary.

Who may qualify: Farmers growing eligible horticulture crops and meeting local conditions.

Documents to prepare: Farmer ID/Aadhaar and crop/area details as requested.

Where to start: State Horticulture Farm / Horticulture Office

Official reference: https://www.tnhorticulture.tn.gov.in/

10. Uzhavar Nala Sevai Maiyam

Coverage: Tamil Nadu

Purpose: Provide farmer-facing service access and help with agriculture schemes.

Benefit / assistance: Service facilitation and scheme access; benefit depends on the scheme applied for.

Who may qualify: Farmers using the notified service centre.

Documents to prepare: Documents depend on the requested service.

Where to start: Designated Uzhavar Nala Sevai Maiyam / Agriculture Office

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

11. PM-KISAN Samman Nidhi

Coverage: Central

Purpose: Provide income support to eligible landholding farmer families.

Benefit / assistance: ■6,000 per year in three equal instalments, subject to exclusions and verification.

Who may qualify: Eligible landholding farmer families; exclusions apply under official guidelines.

Documents to prepare: Aadhaar, bank details, land records and e-KYC/verification.

Where to start: Official PM-KISAN portal or CSC

Official reference: https://pmkisan.gov.in/

12. Pradhan Mantri Fasal Bima Yojana (PMFBY)

Coverage: Central + Tamil Nadu

Purpose: Insure notified crops against specified crop-loss risks.

Benefit / assistance: Insurance coverage; farmer premium and notified crops/deadlines vary by season and state notification.

Who may qualify: Farmers cultivating notified crops and meeting enrollment rules.

Documents to prepare: Aadhaar, land/cultivation proof, bank details and crop details.

Where to start: PMFBY portal, bank/CSC or local Agriculture Office

Official reference: https://pmfby.gov.in/

13. Per Drop More Crop (PDMC) / Micro Irrigation

Coverage: Central + Tamil Nadu

Purpose: Promote water-efficient drip and sprinkler irrigation.

Benefit / assistance: Subsidy rates/ceilings depend on farmer category, system, area and current state guidelines.

Who may qualify: Eligible farmers with suitable land and water source; technical approval required.

Documents to prepare: Aadhaar, land records, bank details, field sketch and vendor/system details.

Where to start: Block Horticulture/Agriculture Office; official micro-irrigation service

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

14. Mission for Integrated Development of Horticulture (MIDH/NHM)

Coverage: Central + Tamil Nadu

Purpose: Develop fruits, vegetables, spices, flowers, nurseries and horticulture infrastructure.

Benefit / assistance: Component-specific assistance; rates and eligible costs are set by current guidelines.

Who may qualify: Farmers, groups and eligible enterprises under the selected component.

Documents to prepare: Aadhaar, land/lease records, bank details, project proposal/quotation as applicable.

Where to start: District Horticulture Office

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

15. Pradhan Mantri Krishi Sinchayee Yojana (PMKSY)

Coverage: Central + Tamil Nadu

Purpose: Improve irrigation access and water-use efficiency.

Benefit / assistance: Assistance depends on the sub-component and district implementation.

Who may qualify: Farmers meeting the relevant irrigation component's criteria.

Documents to prepare: Land and water-source details, Aadhaar, bank details and technical plan.

Where to start: Agriculture/Horticulture Office or designated implementing agency

Official reference: https://coimbatore.nic.in/horticulture/

16. Supplementary Water Management Activity (SWMA)

Coverage: Tamil Nadu / project-based

Purpose: Support farm water management and related irrigation infrastructure.

Benefit / assistance: Component and location-specific support; confirm current local allocation.

Who may qualify: Farmers covered by the current district activity.

Documents to prepare: Land, water-source and identity/bank details as requested.

Where to start: District/Block Horticulture or Agriculture Office

Official reference: https://coimbatore.nic.in/horticulture/

17. Rainfed Area Development – Integrated Farming System (RAD-IFS)

Coverage: Central + Tamil Nadu

Purpose: Encourage integrated farming systems in rainfed areas.

Benefit / assistance: Support for approved integrated farming components; limits depend on guidelines.

Who may qualify: Eligible farmers in selected rainfed areas and approved plans.

Documents to prepare: Land records, Aadhaar, bank details and farm-system plan.

Where to start: Block Agriculture Office

Official reference: https://coimbatore.nic.in/horticulture/

18. Tamil Nadu Irrigated Agriculture Modernization Project (TNIAMP)

Coverage: Tamil Nadu / project-based

Purpose: Improve irrigation management and agricultural productivity in project areas.

Benefit / assistance: Project-specific infrastructure, extension and livelihood support.

Who may qualify: Farmers within project command areas and participating groups.

Documents to prepare: Land and water-user group details; project-specific forms.

Where to start: Project office / Water Users Association / Agriculture Office

Official reference: https://coimbatore.nic.in/horticulture/

19. PM-Rashtriya Krishi Vikas Yojana (PM-RKVY)

Coverage: Central + Tamil Nadu

Purpose: Support state agriculture development projects and innovation.

Benefit / assistance: Benefits are delivered through approved projects/components, not one universal individual payment.

Who may qualify: Beneficiaries of state-approved project components.

Documents to prepare: Project-specific documentation.

Where to start: Relevant Agriculture/Horticulture Department office

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

20. Paramparagat Krishi Vikas Yojana (PKVY)

Coverage: Central + Tamil Nadu

Purpose: Promote organic farming through clusters and group participation.

Benefit / assistance: Cluster-based organic farming assistance under current guidelines.

Who may qualify: Farmers participating in approved clusters/groups.

Documents to prepare: Member and cluster records, land details, Aadhaar and bank details as required.

Where to start: Agriculture Office / approved cluster implementing agency

Official reference: https://www.tnhorticulture.tn.gov.in/current-scheme-gos

21. National Mission on Natural Farming (NMNF)

Coverage: Central + Tamil Nadu

Purpose: Encourage natural farming practices and reduce reliance on external inputs.

Benefit / assistance: Training, demonstration and approved programme support; check local implementation details.

Who may qualify: Farmers in approved clusters or programme areas.

Documents to prepare: Farmer/land details and cluster registration if applicable.

Where to start: Block Agriculture Office

Official reference: https://www.tnhorticulture.tn.gov.in/current-scheme-gos

22. Soil Health Card Scheme

Coverage: Central + Tamil Nadu

Purpose: Test soil and provide nutrient-management recommendations.

Benefit / assistance: Soil testing/card service; not a standard cash grant.

Who may qualify: Farmers whose fields are sampled through the scheme/lab network.

Documents to prepare: Field survey number, village, crop and farmer contact details.

Where to start: Soil Testing Lab / Block Agriculture Office

Official reference: https://www.tnagrisnet.tn.gov.in/esevai/

23. Quality Seed Production and Distribution

Coverage: Tamil Nadu + Central components

Purpose: Improve access to quality/certified seeds and seed production.

Benefit / assistance: Seed availability and subsidy depend on crop, season and approved component.

Who may qualify: Farmers purchasing or producing eligible notified seed.

Documents to prepare: Farmer details and crop/area information; identity/land details where required.

Where to start: Agriculture Extension Centre / Block Agriculture Office

Official reference: https://www.tnagrisnet.tn.gov.in/esevai/

24. National Food Security Mission (NFSM)

Coverage: Central + Tamil Nadu

Purpose: Improve production of food grains, pulses and selected crops.

Benefit / assistance: Demonstrations, seed/input assistance and other crop-specific interventions.

Who may qualify: Farmers in target districts/crops under current annual plan.

Documents to prepare: Aadhaar, land/crop details and bank details if DBT applies.

Where to start: Block Agriculture Office

Official reference: https://agritech.tnau.ac.in/govt_schemes_services/pdf/govt_serv_schems_policy_notes.html

25. National Mission on Edible Oils – Oil Palm (NMEO-OP)

Coverage: Central + Tamil Nadu

Purpose: Expand oil-palm cultivation and support the value chain.

Benefit / assistance: Planting-material and other component support under current guidelines.

Who may qualify: Farmers in suitable notified areas with approved planting plans.

Documents to prepare: Land/water details, Aadhaar, bank details and plantation plan.

Where to start: Horticulture/Agriculture Office

Official reference: https://www.tnhorticulture.tn.gov.in/current-scheme-gos

26. Oilseeds Production Programme

Coverage: Central + Tamil Nadu

Purpose: Increase oilseed productivity and cultivation.

Benefit / assistance: Crop-specific seed/input support and demonstrations, subject to current targets.

Who may qualify: Farmers cultivating notified oilseeds in covered areas.

Documents to prepare: Aadhaar, land/crop details and bank details where needed.

Where to start: Block Agriculture Office

Official reference: https://www.karuvoolam.tn.gov.in/

27. National Bamboo Mission

Coverage: Central + Tamil Nadu

Purpose: Promote bamboo cultivation, nurseries and value-chain development.

Benefit / assistance: Assistance varies by plantation/nursery/project component.

Who may qualify: Eligible farmers, nurseries and project applicants under current guidelines.

Documents to prepare: Land/project records, Aadhaar, bank details and proposal as applicable.

Where to start: Horticulture/Forest/implementing department office

Official reference: https://www.tnhorticulture.tn.gov.in/current-scheme-gos

28. Agroforestry / Sustainable Green Cover on Farm Lands

Coverage: Central + Tamil Nadu

Purpose: Encourage tree planting on farm land and sustainable green cover.

Benefit / assistance: Planting-material or plantation support depends on current programme rules.

Who may qualify: Farmers in covered components/areas and eligible land parcels.

Documents to prepare: Land records, species/plantation plan and farmer details.

Where to start: Agriculture/Forest/Horticulture Office

Official reference: https://www.tnhorticulture.tn.gov.in/current-scheme-gos

29. Coconut Development Board Assisted Schemes

Coverage: Central + Tamil Nadu

Purpose: Improve coconut productivity, planting material and related development.

Benefit / assistance: Component-specific assistance; verify eligibility and rates with Board/state office.

Who may qualify: Coconut growers and eligible producer groups.

Documents to prepare: Land/coconut garden details, identity and bank details as required.

Where to start: Coconut Development Board / Horticulture Office

Official reference: https://www.tnhorticulture.tn.gov.in/current-scheme-gos

30. Jack Mission

Coverage: Tamil Nadu

Purpose: Support jackfruit cultivation and value-chain development.

Benefit / assistance: Current GO/component determines eligible support and subsidy.

Who may qualify: Eligible jackfruit growers/groups under the scheme guidelines.

Documents to prepare: Land, crop/plantation details, Aadhaar and bank details as requested.

Where to start: District Horticulture Office

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

31. Tamil Nadu Cashew Board-related support

Coverage: Tamil Nadu

Purpose: Develop cashew cultivation, productivity and related activities.

Benefit / assistance: Support is governed by specific Government Orders and components.

Who may qualify: Eligible cashew farmers/groups under current notifications.

Documents to prepare: Land/crop details, Aadhaar and bank details as requested.

Where to start: Horticulture Office / Cashew Board as notified

Official reference: https://www.tnhorticulture.tn.gov.in/scheme-gos

32. National Beekeeping and Honey Mission

Coverage: Central

Purpose: Support beekeeping, pollination and honey value chains.

Benefit / assistance: Training, equipment or project assistance depends on approved component.

Who may qualify: Beekeepers, groups and eligible enterprises under guidelines.

Documents to prepare: Identity, project details and bank records as applicable.

Where to start: Agriculture/Horticulture Department or approved implementing agency

Official reference: https://agricoop.nic.in/

33. Agriculture Infrastructure Fund (AIF)

Coverage: Central

Purpose: Facilitate financing for post-harvest and community farming infrastructure.

Benefit / assistance: Credit-linked financing support/interest subvention under scheme rules; not a universal grant.

Who may qualify: Eligible farmers, FPOs, cooperatives, agri-entrepreneurs and infrastructure projects.

Documents to prepare: Project report, KYC, financials, land/lease and lender documents.

Where to start: AIF portal / participating bank

Official reference: https://agriinfra.dac.gov.in/

34. Kisan Credit Card (KCC)

Coverage: Central

Purpose: Provide timely institutional credit for crop and allied farming needs.

Benefit / assistance: Credit limit and interest benefits depend on bank appraisal and applicable rules.

Who may qualify: Eligible farmers and qualifying allied-activity borrowers.

Documents to prepare: KYC, land/cultivation proof, crop details and bank forms.

Where to start: Bank branch / cooperative bank

Official reference: https://pmkisan.gov.in/

35. Modified Interest Subvention Scheme for short-term agricultural loans

Coverage: Central

Purpose: Reduce eligible short-term farm credit cost through regulated lending arrangements.

Benefit / assistance: Interest benefit depends on current policy, timely repayment and lender rules.

Who may qualify: Eligible borrowers receiving qualifying agricultural loans.

Documents to prepare: KYC, loan and crop/land documents required by lender.

Where to start: Bank/cooperative bank

Official reference: https://www.rbi.org.in/

36. Pradhan Mantri Kisan Maandhan Yojana (PM-KMY)

Coverage: Central

Purpose: Offer a contributory pension option to eligible small and marginal farmers.

Benefit / assistance: Pension benefit at eligible age subject to enrolment and contribution conditions.

Who may qualify: Eligible small/marginal farmers meeting age and exclusion criteria.

Documents to prepare: Aadhaar, bank account and landholding/identity details.

Where to start: PM-KMY portal / CSC

Official reference: https://maandhan.in/

37. Kisan Call Centre

Coverage: Central

Purpose: Provide agriculture-related advice by telephone.

Benefit / assistance: Advisory service, not a cash subsidy.

Who may qualify: Farmers seeking technical advice.

Documents to prepare: No scheme application documents normally required.

Where to start: Dial 1800-180-1551 (verify service availability)

Official reference: https://mkisan.gov.in/

38. Agricultural Mechanization / Sub-Mission on Agricultural Mechanization (SMAM)

Coverage: Central + Tamil Nadu

Purpose: Improve access to farm machinery and custom hiring services.

Benefit / assistance: Equipment subsidy varies by machine, category, applicant and current guidelines.

Who may qualify: Eligible farmers, groups, cooperatives, FPOs and custom-hiring centres.

Documents to prepare: Aadhaar, land details, bank details, quotation and category certificate if applicable.

Where to start: Agricultural Engineering Department / Agriculture Office

Official reference: https://agricoop.nic.in/

39. Custom Hiring Centres for Farm Machinery

Coverage: Central + Tamil Nadu / project-based

Purpose: Make farm machinery available to farmers on hire.

Benefit / assistance: Project-based support for eligible centres; individual hiring charges vary.

Who may qualify: Eligible groups, FPOs, cooperatives or entrepreneurs under current guidelines.

Documents to prepare: Project proposal, quotations, registration and financial documents.

Where to start: Agricultural Engineering Department

Official reference: https://agritech.tnau.ac.in/

40. Solar Pumps / Solar-powered Pumping Systems

Coverage: Central + Tamil Nadu / project-based

Purpose: Reduce irrigation energy costs and support solar-powered pumping.

Benefit / assistance: Assistance depends on active component, vendor, capacity and current guidelines.

Who may qualify: Farmers meeting the active solar-pump programme conditions.

Documents to prepare: Land and water-source records, electricity/connection details, Aadhaar and bank details.

Where to start: Agricultural Engineering / Energy department / designated portal

Official reference: https://www.tnagrisnet.tn.gov.in/esevai/

41. PM-KUSUM

Coverage: Central + Tamil Nadu

Purpose: Support solar pumps and decentralized solar energy in agriculture.

Benefit / assistance: Subsidy/financing structure depends on component and state implementation window.

Who may qualify: Farmers and other eligible applicants under an active state component.

Documents to prepare: Land, pump/connection details, KYC and application documents.

Where to start: State designated agency / official PM-KUSUM portal

Official reference: https://mnre.gov.in/

42. Pradhan Mantri Matsya Sampada Yojana (PMMSY)

Coverage: Central + Tamil Nadu

Purpose: Develop fisheries, aquaculture, infrastructure and fish value chains.

Benefit / assistance: Component-specific assistance; eligibility and beneficiary contribution vary.

Who may qualify: Fishers, fish farmers, groups, cooperatives and eligible enterprises.

Documents to prepare: Aadhaar/KYC, project plan, land/pond/lease details and bank documents as applicable.

Where to start: Department of Fisheries / PMMSY implementing office

Official reference: https://dof.gov.in/pmmsy

43. Fisheries and Aquaculture Infrastructure Development Fund (FIDF)

Coverage: Central

Purpose: Facilitate investment in eligible fisheries infrastructure through financing.

Benefit / assistance: Loan/interest-support arrangements depend on project and current guidelines.

Who may qualify: Eligible public/private entities and fisheries-sector applicants.

Documents to prepare: Detailed project report, financial documents, KYC and approvals.

Where to start: Department of Fisheries / participating lender

Official reference: https://dof.gov.in/related-links/fidf

44. Rashtriya Gokul Mission

Coverage: Central + Tamil Nadu

Purpose: Improve indigenous bovine breeds and breeding services.

Benefit / assistance: Support is delivered through approved breeding/infrastructure activities; not a universal farmer cash benefit.

Who may qualify: Eligible institutions, breeding centres and participants in notified activities.

Documents to prepare: Documents depend on activity and implementing agency.

Where to start: Animal Husbandry Department / veterinary office

Official reference: https://dahd.nic.in/

45. Livestock Health and Disease Control Programme

Coverage: Central + Tamil Nadu

Purpose: Prevent and control animal diseases through vaccination and veterinary services.

Benefit / assistance: Public veterinary services and programme-based vaccination/support.

Who may qualify: Livestock owners using notified veterinary services.

Documents to prepare: Animal details and owner contact; additional records if required.

Where to start: Veterinary Dispensary / Animal Husbandry Department

Official reference: https://dahd.nic.in/

46. National Livestock Mission (NLM)

Coverage: Central + Tamil Nadu

Purpose: Support eligible livestock entrepreneurship and related value chains.

Benefit / assistance: Capital subsidy/support may apply to eligible approved projects under current guidelines.

Who may qualify: Eligible entrepreneurs, individuals, SHGs, FPOs and organizations under scheme rules.

Documents to prepare: Project report, KYC, land/lease, bank/loan and category documents as applicable.

Where to start: Animal Husbandry Department / NLM portal

Official reference: https://dahd.nic.in/

47. Dairy Entrepreneurship / Dairy Development Support (state and bank-linked components)

Coverage: Tamil Nadu / Central / bank-linked

Purpose: Support dairy production, chilling, processing or allied infrastructure through active components.

Benefit / assistance: Availability varies by state programme, bank finance and current notifications; no universal rate assumed.

Who may qualify: Dairy farmers, producer groups and eligible enterprises.

Documents to prepare: Project plan, animal/unit details, KYC, land/lease and bank documents.

Where to start: District Animal Husbandry Office / dairy cooperative / bank

Official reference: https://ahd.tn.gov.in/

48. National Programme for Dairy Development (NPDD)

Coverage: Central + Tamil Nadu

Purpose: Strengthen milk procurement, processing and dairy infrastructure.

Benefit / assistance: Project-based support mainly through eligible implementing agencies/cooperatives.

Who may qualify: Eligible dairy cooperatives, producer institutions and implementing agencies.

Documents to prepare: Institutional/project proposal and financial/technical documents.

Where to start: Dairy Development Department / approved implementing agency

Official reference: https://dahd.nic.in/

49. Pradhan Mantri Formalisation of Micro Food Processing Enterprises (PMFME)

Coverage: Central + Tamil Nadu

Purpose: Support formalization, upgrading and branding of micro food-processing enterprises.

Benefit / assistance: Credit-linked subsidy and group support may be available under current scheme rules.

Who may qualify: Eligible micro food-processing units, SHGs, FPOs and cooperatives.

Documents to prepare: Business/project report, Udyam/GST if applicable, KYC, bank and unit documents.

Where to start: PMFME portal / District Resource Person / Industries or food-processing office

Official reference: https://pmfme.mofpi.gov.in/

50. Pradhan Mantri Kisan SAMPADA Yojana

Coverage: Central

Purpose: Support food-processing and post-harvest infrastructure projects.

Benefit / assistance: Project-based grants under specific scheme components and calls.

Who may qualify: Eligible food-processing enterprises and organizations under guidelines.

Documents to prepare: Detailed project report, registrations, financials, land/lease and approvals.

Where to start: Ministry of Food Processing Industries / designated portal

Official reference: https://mofpi.gov.in/
